## 2008 Season Update

The 2008 racing season is well underway. The months of April and May have seen some success and plenty of competitive racing action for the Thrive to Drive team both in the ASA Midwest Tour, and locally at WIR for the FRRC's Thursday Night Thunder events.

Kyle & the #9 Arby's / Orv's Pizza SLM have competed in three (3) ASA Midwest Tour events so far this year, not counting the Dells 100 which was held this past weekend. Currently, the team stands 14<sup>th</sup> in the ASA overall points, and have managed to gain entry into every ASA Feature event.

Kyle had a season high qualifying position of 8<sup>th</sup> fastest in Madison on May 5<sup>th</sup>, and is already showing he will be a serious contender in this challenging series this year with his solid finishes and impressive driving. Our goal is to continually improve on our results in this series while competing with some of the best drivers the Midwest has to offer.

Please see the attached 2008 schedule of events for upcoming ASA Midwest tour events!

Locally, Kyle has raced in the first two (2) FRRC Thursday Night Thunder events, both held in May. Kyle will surely be a serious contender for the FRRC title this year, and is currently in the 5<sup>th</sup> position in the FRRC points standings.

In the first two events of the year, Kyle has maintained top 10 qualifying spots, including his season high 2<sup>nd</sup> qualifying position on May 29<sup>th</sup>. Kyle also has maintained a top 10 feature finish through the first two races of the year. The season, although just getting underway, has given a couple great nights of exciting racing, we hope to see you at a few of these events at WIR.

Keep in mind the pits are always open after the races, and we would love to see our supporters after the races! It's a great chance for fans to see the car up close and meet the driver and crew.
