

## Tire Sponsor Program

---

Thank you for your interest in the Thrive to Drive Motorsports Tire Sponsor Program. We have established this program at the request of fans that want to support the success of Kyle Calmes and the #9 Super Late Model team of Thrive to Drive Motorsports, but may or may not want to be noted as an official team sponsor.

As a team, we have found during the 2007 season, that the need for multiple sets of tires for a single race was a crucial factor in competing successfully in the ASA Midwest Tour Series. Tires are not cheap, and they account for a major part of our race budget for the 2008 season, all of which cannot be funded by the regular team sponsors alone.

Each race requires the team to purchase (2) sets of tires for the car. One set is used for practice laps and car adjustments, and the other set is used for qualifying and the races. The cost of the tires are as follows:

\$ 125.00 / per tire.  
\$ 500.00 / per set of tires (4).  
\$ 1,000.00 / per race (2 sets of tires).

Your financial contribution to this program will be set aside strictly for the purchase of the tires in the ASA MWT events, and every contribution we receive, no matter the value, helps the team to achieve our goals.

You can opt to remain as an anonymous donor, or the team will proudly display your name (or business name) on space allotted on the rear deck lid of the ASA MWT car (with a minimum \$125 contribution) and also on our website, [thrivetodrive.com](http://thrivetodrive.com) for all contributions. To participate in the program and lend your support to the team in a big way, please fill out the information on the next page and mail the sheet, along with your check to:

The entire team sincerely thanks you for your support!

Sincerely;
